2014 Hawaii Water Program Working Sessions

Co-Sponsored by Hawaii Department of Health & U.S. Environmental Protection Agency

Tuesday, June 3 to Thursday, June 5, 2014

919 Ala Moana Blvd., Honolulu, HI 96814

5th Floor Conference Room

On behalf of the 2014 Hawaii Water Program conference planning committee, please find attached a draft program schedule for the event on June 3-5 (Tuesday-Thursday). We are still working out a few of the final details, but the major components of the program schedule have been finalized. For relevant CWB staff, please note the pre-conference special sessions scheduled for Monday, June 2.

These working sessions are by invitation only. Please consult with Alec Wong, Joanna Seto, and Sina Pruder if you would like to invite anyone outside of the list of attendees above.

Joanna & Sina – Please forward to appropriate SDWB & WWB staff.

We look forward to seeing you all in June!
